13th April, 2023

Dear Editors of the Malawi Medical Journal (MMJ),

Thank you for your correspondence. As agreed, I am writing to formally retract the manuscript entitled ““Don’t rush into thinking of walking again”: Patient views of treatment and disability following an open tibia fracture in Malawi” as the journal did not meet the requirement of our funder for open access

Sincerely,

Alexander Thomas Schade

Yours Sincerely,

A handwritten signature in black ink that reads 'ASchade'. The signature is written in a cursive style and is positioned above a horizontal line.

Alexander Thomas Schade
